A live resistance
Through existence
Alright, Tonight!

Drinking it from the vine,
Getting into the mind,
We're here to heed the call
With backs against the wall

A revolution of love
Ignites within the soul-
The spark will catch today
And illuminate the way.

Mushroom visions, hazy
Illustrates the ways she craves me:
Thirsting for the spirit,
For an unbridled life, to live it.
Gonna fire the dreamers: alright
And amalgamate the masses tonight!

This is a call for all my kind,
Gettin' together
To uncork the wine.
A convivial feast for the
Peace Beast

Drinking it from the vine,
Getting into the mind,
We're here to heed the call
With backs against the wall

A revolution of love
Ignites within in the soul-
The spark will catch today
And illuminate the way.

This is the feast of the Peace Beast

This is the way
To live our day

This is the feast
Of the Peace Beast
