Oooh oooh

Flashin' *belches*

Oooh

I'm goin off that Boyd Dawg, through Purina Chow-
Chow

Pow-Pow, hot lead on a nigga head

Chest out, never understood, grew up in the hood

Never knew right from wrong

Get to dumpin on a nigga for nothin for no reason

Mannish little knucklehead, hardhead heathen

Meanin, give a fuck about life, I seen my momma

stab my daddy in the stomach with a knife

when I was three years old, finally figured it out

That's why a nigga sold coke, clientele and clout

Without a motherfuckin doubt, take a nigga out

for trying to go between my motherfuckin paper route

Wet his ass up, that nigga see and go

Fully automatic convertible I'm a wipeaway arsonist

fire extinguisher, if you ain't spittin heat then
motherfucker

you betta damn sure be workin for me or else you're
fucked

Either that, I get your jaw wired up, pathological liar

Dope game got me like this, fertify high

Smokin more bomb than Cheech and Chong, I'm SAYIN

Hit up Denny's resteraunt and order a gang of food

Run up out of that prejudiced fuck-ass motherfucker

without even havin any n kind of intention on even
payin

Damn near flashin, that's what the fuck I'm doin

and I'm blastin up in this motherfucker

I got my motherfuckin heater out and I'm sayin fuck the
world

I'm pissin on everything, fuck it, nigga I'm flashin

I'm actin bad

I got all kind of marbles on the motherfuckin table

and I'm tellin a motherfucker you touch my shit and I'm
flashin

Understand my shit, the situation is way damn real

Motherfucker I'm drunk off the shit

and I'm breakin bottles on the pavement, I'm flashin

Nigga I'm out there bad I'm poppin in the air for nothin

Nigga for no apparent reason I'm DUH DUH DUH DUH
check it out

At this, got it fired up, choppers in the back of the truck

about to light the nigga crib up

Bang bang shoot em up claim fame

Got a little to my name, slick as sugar cane

Three in the mornin it's hard labor chasin paper

Nigga twerkin, go to several Russian car

Click-ers come esouped with VCR's
Microwave ovens and credit cards
Pullin all kind of heavy metal straps
Beatin nijjas down with bumper jacks
LIP's bitches overseas shoot crap
Try to have more paper than a factory
Motherfuckers gettin to showin out when the yard flexes
Liable, blow a whole on a psycho
Vital, lookin out for the rival tribal dead on arrival
Psycho, it's all about survival
Quarter ounce zippers is on
Run up in his home white sock or bone
With the chrome pist-al, pistol whip a nigga
with a zap force, seen this hammer, Arm and Hammer
bakin soda, listening to the scanner, scared man
can't win, especially when a nigga packin
Fetti stackin, mashin, flashin
I'm flashin, the Elroy's pulled me over
and put the flashlight to my window and told me I was speedin
and I got to, fa-lashin on they ass
I got to actin like a demon the motherfuckers told me
the other day I go to turn off my P-G-and-E
Nigga and I got to actin bad and I got to flashin
on a motherfucker, motherfucker come out there

talkin crazy to me lookin at me crazy up in the
motherfuckin sto'

and I said, "Bitch I'm F-ah-lashin!"

Don't let me get to flashin on yo' ass nigga

Motherfucker up in the club, and a motherfucker step
on my shoe

and I got to fa-lashin!

It's all bad, motherfucker used to be comrade

Used to fuck the same hoes, wear Jeff clothes

Closer than a bugger to a nose, choosin vogues

Slammin Cadillac do's together, cookin crack

Gettin eighteens if it's back, overkill

put the whammy on the whoop, be on the lookout

for the state troop, might shoot, durin the drug deal

Flippin at the mouth

Voluntarily raps your motherfuckin folkers out

Tight about since Little League, Boy Scouts

Paper route dropped a diamond get some day skunk

I'm uh, I'm ooh cranky, booty like a old hag

She gonna get hella stanky if youse get teared up

but us niggas don't bring me back

my motherfuckin duffle bag.. I squinges off the hinges

Lean ballin, alcohol and weed

A thousand dollars worth of chump change, chicken
feed

A criminal record a full of dirty deeds

Givin niggaz black eyes and bloody lips

Cauliflower ears and extra clips

Gun clappin music slappin party crashin

Brash and motherfucker flashin

The holiday just came on the first second and third of
the month

Made my check late and I got to, flashin on
motherfuckers

Next door neighbor hollerin that shit about my beat too
loud

I walked up the motherfuckin steps and I got ta

tellin that bitch I'm F-ah-LASHIN

Send a rookie to the store to bring me back some Rossi
Ron

He brought me back Chablais, and I get to FLASHIN

on that bitch ass motherfucker, silly nigga

Yknahmsayin? A motherfucker up in this motherfucker
FLASHIN

Get to testin my testicles nigga and I'ma FLASH on yo'
ass

Bad word get back to me and I'm flashin

Lost all my money up in the dice game and I FLASH

Didn't let me up in Club Cafe at challantes and got to
FLASHIN

Dopefiend ran off with a hundred count of my teeth

and I'm FLASHED

Big Willie cashed my hawkin money water so I took it to
Scottie's

to keep myself from flashin

Bought \$250 worth of liquor and they tried to charge
me

for some ice and I FLASHED

Got jumped outside a house party fools left me for
dead

when I got home I seen them motherfuckers

and they ass was in the red, I got to FLASHIN

I tell ya, bitch these niggaz I tell ya

Shit I tell ya, SHIT SHIT SHIT SHIT BITCH, shit
