Which book should I read first
Which wine do I have to drink
Which door are you waiting behind
If you wanna be mine

Come, read it from my lips
feel it on my lips
It's a thank you for you

Come, read it from my lips
feel it on my lips
I've never been so old before

Whose heart should I take this time
For which smile will I have to pretend
Which door are you waiting behind
If you wanna be mine

Come, read it from my lips feel it on my lips
It's a thank you for you

Come, read it from my lips
feel it on my lips
I've never been so old before

The weather was so fine
When I was so high
Now I'm grounded by you

Come, read it from my lips
feel it on my lips
It's a thank you for you

Come, read it from my lips
feel it on my lips
It's a thank you for you

Come, read it from my lips
feel it on my lips
I've never been so old before
