It's The Airport Again
A Little Child Is Sleeping Infront Of My Seat
It's The Airport Again
And I'm Staring At This Small Life And
And I Get This Endless View
I Think Of Her

She's A Daisy In A Field Of Roses
She's The Velvet In A Field Of Gold
She's The One That Takes Me Closer
Closer To My Finishing Stroke

It's The Strange Place Again
My Friend Is Sleeping Beside My Seat
Oh It's The Strange Place Again
And I'm Staring At My Callous Palms And
And I Get This Endless View
I Think Of Her

She's A Daisy In A Field Of Roses
She's The Velvet In A Field Of Gold

She's The One That Takes Me Closer
Closer To My Finishing Stroke
....She
