All I wanted was to be wanted
All I needed was to need what I'm feeling
by the radio
with the lights turned off
and you never really knew about it
and you never really did know

All I wanted was to be wanted
All I needed was to need what I'm feeling
by the radio
with the lights turned off
and you never really knew about it
No you never really did know

If you say I'm wrong
Then I know I'm sorry
If you say I'm wrong
It would mean goodbye
And you would not hang around
or you might
You will not hang around
here tonight

All I wanted was to be wanted
All I needed was to need what I'm feeling
by the radio
with the lights turned off
and you never really knew about it
No you never really did know

It's a modern love
And it's not enough
for me to know
and you to find out
It's a modern love
It's impossible for me
to love you more than I do now
Here tonight, here tonight
Here tonight, here tonight
Here tonight, here tonight
Here tonight, here tonight
