Here's a little bit of Old School for you
That goes a little somethin' like this

I always try to be the flyest kid on the block
The popular one with the risin' stock
So that's when I had this bright idea
(For the party of the month) Nah, the party of the
year
All the fine girls couldn't turn it down
Now all I gotta do is get my parents out
Should I send 'em to a movie (Nah, send 'em to a show)
Let me think, hmm, it's gotta be long, though
I said, "Mom and dad, yo', why you sit at home
It's a Friday night, have you seen Aunt Joan
And don't worry 'bout stayin' out too long
Don't fuss over me, I'll be fine alone"

Have a good time

The doorbell rings 'cause the party's here
I'm crankin' up the song like it's New Year's
Walkin' 'round the house like who's the man
(Can't nobody do it like Aaron can)
First on the floor, you know that's me
Bustin' at the moves like it's MTV
I guess I no longer, I lost my head
Then I jumped on the table, this is what I said

People all around, you gotta (Come get it)
Everyone together sing it loud (Come get it)
Jump all around, come on (Come get it)
What (Come get it)
Say it again (Come get it)

People all around, you gotta (Come get it)
From the right to the left make noise (Come get it)
Here we go now come on (Come get it)
Uh-uh, what (Come get it)
What-what (Come get it)

(Nah-nah-nah-nah)

(Nah-nah-nah-nah) Come on, here we go, ha-ha
(Nah-nah-nah-nah) Come with me, woo
(Yeah, yeah, yeah, yeah, yeah) Here we go, uh, uh
(Come get it)

Things are goin' great then to my surprise
Some people walked in that I didn't recognize
I said, "Fellas, yo', you gotta get out"
{Hey man, I heard this was an Open House}
Open House
{Yeah, that's what the flyer said}
I didn't put a flyer
{Well, somebody did}
Then walked in the girl I'm crushin'
And a kid spilled juice on my mom's new cushion
I turned around, another kid broke a lamp
{I hope they weren't expensive}
They got them from France
For now I won't sweat it, I'll clean it up later
There's a honey over there and I really wanna meet her

People all around, you gotta (Come get it)
Everyone together sing it loud (Come get it)
Jump all around, come on (Come get it)
What (Come get it)
Say it again, here we go, uh (Come get it)

People all around, you gotta (Come get it)
From the right to the left make noise (Come get it)
Here we go now come on (Come get it)
Uh-uh, what (Come get it)
What (Come get it) woo

(Nah-nah-nah-nah) MCs in the house, here we go
(Nah-nah-nah-nah) Come with it
(Nah-nah-nah-nah) In time for the rodeo, huh, come on
(Yeah, yeah, yeah, yeah, yeah)
(Come get it)

Break it down

Go-go-go-go-go-go-go-go-go-go
Go-go-go-go-go-go-go-go-go-go

Is that a car door, oh, dang, I'm in trouble
Everybody get out now on the double
I'm dead {You're done}, that's it for me
I'm gonna be picked off my family tree
Once mom finds out 'bout the party I had
I don't even wanna start thinkin' about dad
I'm hustling around the hose tryin' to clean the mess

I sure put my new white Nikes to the test
The car door slammed, now they're walkin' up the steps
I guess life is good for 10 seconds left
{Aaron!} Grounded

People all around, you gotta (Come get it)
Everyone together sing it loud (Come get it)
Jump all around, come on (Come get it)
What (Come get it)
Say it again (Come get it)

People all around, you gotta (Come get it)
From the right to the left make noise (Come get it)
Aaron C's in the house, come on (Come get it)
Uh, what-what (Come get it)
Come get it (Come get it)

(Nah-nah-nah-nah) Ha-ha, what, what
(Nah-nah-nah-nah) Uh, come on, come with it
(Nah-nah-nah-nah) Come on, woo
(Yeah, yeah, yeah, yeah, yeah)
Come get it (Come get it)

(Nah-nah-nah-nah) Wave your hands from side to side
(Nah-nah-nah-nah) Here we go, on time for the rodeo
(Nah-nah-nah-nah) Come get it
(Yeah, yeah, yeah, yeah, yeah)
(Come get it)

(Nah-nah-nah-nah) Uh, uh, ha-ha (Nah-nah-nah-nah)
(Nah-nah-nah-nah) (Yeah, yeah, yeah, yeah, yeah)
(Come get it) (Nah-nah-nah-nah)
