(Nick Carter, Brian Littrell, Gary Carolla)

My mama told me I'm too young to love  
But I know what I know and I can't get enough  
I'm thinking about you and me holding hands  
Pushing you on a swing  
We can do anything  
Cause when I think of you all I know  
Is that there's nothing I won't do to be with you  
CHORUS  
Ain't that cute - holding hands in the park  
Ain't that cute - can't stay late after dark  
Ain't that cute - was in love from the start  
Ain't that cute - I could swear you stole my heart  
I often wonder the meaning of love  
Is it something meant just for grown-ups?  
Nick always told me just to follow my dreams  
But with love on my mind it is so hard to see  
And still when I think of you all I know  
Is that there's nothing I won't do to be with you  
CHORUS  
It's true if I'm wrong  
Then tell me girl what should I do  
Or would you even care  
If I told you love could be so simple  
Between me and you Oh, tell me CHORUS
