Yeah, come on now
Yeah, come on now
Yeah, come on now
Yeah, come on now
Yeah, come on now
Yeah, come on now
Yeah, come on now

Too hot. Lookin' fantastic
No nips or tucks of plastic
The way she works her magic
She's got me like an addict
I'm not a dreamin' or fantisin', this could mean
Gotta move on, gotta play the field
Gotta be strong, no time to heal

So check out the girl on the corner of Mason
Looking kinda crazy. I'm amazingly dazed man
Let me hear ya say 'yeah'
Hey, yeah.

Check out the way she ties up her laces
Puttin' a smile on our faces
I say hey (hey) ho (ho)

Baby it's you that I want
So come a little closer
And don't get me wrong
I'm kinda shy, but I know what I want
I'm crazy for you
So baby let's get it on

Come on
Yeah, come on now
Yeah, come on now
Yeah, come on now
Yeah, come on now

Too hot lookin' like crazy
No if's, or but's, or maybes
No time to blind or faze me

Your body activates me
Ohh, she's throwin' her hair back, ahh
And I kinda like that
Gotta move because I like the chase
Gotta move quick no time to waste

So check out the girl on the corner of Mason
Looking kinda crazy. I'm amazingly dazed man
Let me hear ya say 'yeah'
Hey, yeah.

Check out the way she ties up her laces
Puttin' a smile on our faces
I say hey (hey) ho (ho)

Baby it's you that I want
So come a little closer
And don't get me wrong
I'm kinda shy, but I know what I want
I'm waiting for you
So baby let's get it on

Baby it's you that I want
So come a little closer
You know you belong
I'm kinda shy, but I know what I want
I'm crazy for you
So baby let's get it on

Yeah, come on now
Everybody come on now
Yeah, come on now
Baby lets get it on now

Yeah come on now
All right
Yeah, come on now
Yeah, come on now
Yeah, come on now

(Alright! Alright! Here we go! Here we go!)

Baby it's you that I want
So come a little closer
And don't get me wrong
I'm kinda shy, but I know what I want
I'm waiting for you
So baby let's get it on

Baby it's you that I want
So come a little closer

And don't get me wrong
I'm kinda shy, but I know what I want
I'm crazy for you
So baby let's get it on

Baby it's you that I want So come a little closer And
don't get me wrong I'm kinda shy, but I know what I
want
