You found it
Kick it
You found out I got a crush on you
You must have heard it
From my best friend
She?s always talking
When she should be listening
Can?t keep
A secret
To save her life
But still I trusted her
With all I felt inside
I never knew a rumour
Could spread so fast
But now the word is out all over town
That I?m longing for you
Chorus:
How did you know
Cause I never told
You found out I?ve got a crush on you
No more charades
My heart?s been displayed
You found out I?ve got a crush on you
Maybe I was the one
Who left a trace
Was there a message written on my face
Were my emotions so easily read
That you would know my thoughts
Before a word was said
Was it my eyes
That let you know you had control
Because the way you move
Was so self-assured
You knew I would surrender
Chorus (2x):
How did you know
Cause I never told
You found out I?ve got a crush on you
No more charades
My heart?s been displayed
You found out I?ve got a crush on you
