I see you every day
And I can't seem to think of anything to say
Do you baby
How can it be that breaks my heart
When you're smiling at me
The moment that I laid my eyes on you,
I knew you'd be the one to make my dreams come true.

CHORUS

Girl you shine like reflections on the water
Girl you shine like the sun in the sky
Girl you shine like the moonlight in the nighttime
Girl you shine like the stars in the sky

Girl I can't imagine being without you
And I know you're gonna make my dream come true.
You know I'll never leave you
I'll never be deceiving you
I'll give you every piece of my heart.

Girl you shine (shine)
Shine (shine)
Shine on me

Girl you shine (shine)
Shine (shine)
Shine on me

Girl you shine (shine)
Shine (shine)
Shine on me

Girl you shine (shine)
Shine (shine)
Shine on me

Chorus:

Girl you shine like reflections on the water
Girl you shine like the sun in the sky
Girl you shine like the moonlight in the nighttime
(You shine, oh you shine)

Girl you shine like the stars in the sky

You know I need you,
Somebody who can give me a laughing
Girl you shine like the sun in the sky.
