I know a girl who's tough but sweet
She's so fine she can't be beat
She's got everything that I desire
Sets the summer sun on fire

I want candy
I want candy

Go to see her when the sun goes down
Ain't no finer girl in town
You're my ??, you walked up to water
So sweet you make my mouth water

I want candy
I want candy
Yeah

Candy on the beach there's nothing better
But I like candy when it's wet dance weather
Someday soon I'll make you mine
And I'll have candy all the time

I want candy
I want candy

I want candy
I want candy
