Hey Girl, I'm sad
I heard that you're leaving
You can't go, you're my bestfriend
I'm sure gonna miss you

I always think about you
All the time you're on my mind
We played together you and I
I can't believe that its true
Now I have to see you leave
You're the only one for me

Bridge:
My girlfriend, my bestfriend
I don't wanna see you go
I just wanna let you know that
I have a crush on you
I can't wait no longer girl
To say what I feel

Chorus:
I'm gonna miss you forever
I'm gonna miss you girl
Gonna miss you girl
(2x)

The first time that I saw you
I knew it from the very start
You had a place deep in my heart
I can't believe that it's true
Now it's time for you to leave
And Baby I just can't believe

repeat bridge and chorus

You and me together
Girl, I'll wait forever
It's only the matter of time
'Coz I never wanna see you go
I just wanna let you know
That I can't wait no longer girl

To say what I feel

repeat Chorus to fade

I'm gonna miss

I'm gonna miss you... Given by: Anna D.
