[Talking]

Sometime, someplace  
Everybody has words  
Fallin' out, and making up  
Uh-huh

Chorus:

Maybe I laugh, maybe I cry  
Maybe I scream, maybe I sigh  
Baby I feel, the feeling is real  
Maybe I curse, maybe I squeal

But I enjoy, making some noise  
Foolin' around, I listen to the sound  
You and I get, everything's set  
Be sure you know how to have a real good time

[Yeah, yeah]

1, 2, 3, 4

You and I are not to blame  
Sometimes we just go insane  
You and I have much to give  
Everything is relative

When we have our darker days  
We just go our separate ways  
You and I are not to blame  
Sometimes we just go insane

(Chorus)

Sometimes baby in your eyes  
Love is truly justified  
When I hear you tellin' lies  
I just wanna terrorize  
Making up is oh so good  
Yeah we rock the neighbourhood  
You and I are not to blame  
Sometimes we just go insane

(Chorus)

[la la la la la la la]

(Chorus)
