Steppin' out the weekends open wide  
Fill it up let's blast the jams and ride  
While we're cruisin' around in the street  
Listen up for the party in feet

Slap me five that's the place we've arrived it's alive  
Ev'rybody take it to the top we're gonna  
Stomp all night in the neighbourhood  
Don't it feel all right gonna  
Stomp all night wanna party  
Till the morning light

Runnin' runnin' runnin'  
The set is hot there's people wall to wall  
Old ones young things short ones standing tall  
So Grab the one with the smile on her face

And hit the floor and stay right on the case  
The heat is on and the funk just won't leave us alone  
Ev'rybody take it to the top we're gonna

Stomp all night in the neighbourhood  
Don't it feel all right gonna  
Stomp all night wanna party  
Till the morning light gonna

Stomp all night in the neighbourhood  
Don't it feel all right gonna  
Stomp all night wanna party  
Till the morning light

Stomp

[x 3]  
Stomp step down in it put your foot  
Where you feel the fit  
Stomp you don't want to quit  
Put your heels where you're feeling it

[repeat - fades]  
Stomp all night in the neighbourhood

Don't it feel all right gonna  
Stomp all night wanna party  
Till the morning light
