I'm the heart that you...
I tried to love you
But I did now know what to do
How you do what you do.
I'll be the guy that you never seen
I'll be a king just to be my queen
Don't mind, don't mind to be blind

Chorus:
Somebody please
Tell me where the ghosts are gone!
Someone hear me out
Something to be my guide!
Somebody please
Hear me where the screaming shouts
..I'll be fine, I'll be fine, I'll be fine!

Try hard to speak my mind...
It's not wrong to be, to be kind
Closed my eyes like the window shades
Lift my head up to the skies
It feels you're up in the sky!

Chorus:
Somebody please
Tell me where the ghosts are gone!
Someone hear me out
Something to be my guide!
Somebody please
Hear me where the screaming shouts
..I'll be fine, I'll be fine, I'll be fine!

You're like the ocean and I'm swimming in the sea
You're like a melody that swims right through my veins
I'll be fine, I'll be fine, I'll be fine!

Chorus:
Somebody please
Tell me where the ghosts are gone!
Someone hear me out
Something to be my guide!

Somebody please
Hear me where the screaming shouts
..I'll be fine, I'll be fine, I'll be fine!
