Verse:

Close your eyes dear, close your eyes and breathe it's
no wonder why you can't sit still and breath, be in love
with you, you in love with me, let me come home, into
your soul.

Pre-Chorus:

Lay with me love, lay with me in peace see the sky
watch the clouds pass us by. Kiss me once or twice
maybe I could die happy as pie, happy as pie.

Chorus:

I didn't mean to make you cry I just wanted you to see
the fire inside. F-f-f-fire inside of your life. Of your life,
Oh.

Pre-Chorus:

Close your eyes Lay with me love, lay with me in peace
see the sky watch the clouds pass us by. Kiss me once
or twice maybe I could die happy as pie, happy as pie.

Chorus:

I didn't mean to make you cry I just wanted you to see
the fire inside. F-f-f-fire inside of your life. Of your life,
Oh.

Pre-chorus:

Lay with me love, lay with me in peace see the sky
watch the clouds pass us by. Kiss me once or twice
maybe I could die happy as pie,

End:

Happy as pie.
