Gurolkko obso nunmuldo akkyo
Ochaphi modu hullogalteni
Ibyoriran hangsang junbi obshi
Gabjagi chaja ogon hanun
Mothdoen god puninikka

Jaburyogo jaburyogo amuri essodo
Hanmadido mothe molliso gudel barabogo inunde
Gujo jal jineran insarado na jong hagoshiphjiman
Momurul su obnun shigan soge saramchumun
Sarajiltene

Aju chonchonhi ijhyojigeji
Kuthiran hangsang issossunikka
Jogumman sarangul hebollyogo
Olmana narul kujijona
I babogathun sarama
Harusshigman harusshigman bothigo bothimyon
Gyoulgago bomi onun god chorom
Udge doel nal igeji
Gujo jaldwedago jal doen gorago
Nesarang bonedo
Namgyojin danunge olma mankhum
Aphun gonji morultenikka

Jaburyogo jabutyogo amuri essodo
Hanmadido mothe molliso gudel barabogo inunde
Gujo jal jineran insarado na jong hago shiphjiman
Momurul su obnun shigan soge saramchumun
Sarajiltene
