Nuna you are so pretty,  
Boys wont leave you alone  
Honestly, I know your shaking feelings  
To you I know this love is one moment, one feeling  
But no matter what is said, this is my lifes everything

Maybe you are worried about my young age  
But look into my eyes, what is it telling you?  
and I think Im gonna hate it girl  
if the end comes  
Your heart will tell you, regardless of what others say

Nuna you are so beautiful  
Looking at you I go crazy  
But now I am tired  
replay, replay, replay  
Memories swipe at my heart  
It hurts, when will my feelings be fixed  
The ever drawing day of good bye  
replay, replay, replay

Nuna you are my M.V.P  
I know your nerves makes you a bit stiff  
Me with you is so cool  
Dont let go of my hand  
this promise I made to you  
i know that it became a lie

Maybe to you, I am a little too boring, too kind  
Your body is telling me  
and I think Im gonna hate it girl  
when the end comes  
My heart is yelling in front of the goodbye

Nuna you are so beautiful  
Looking at you I go crazy  
But now I am tired  
Make up, shake up, break up  
Memories swipe at my heart  
It hurts, when will my feelings be fixed  
The ever drawing day of good bye  
Make up, shake up, break up

Ah ah, beautiful you  
ah ah, I know has yet to find  
with anyone a sincere love  
ah ah, Although its such a waste  
ah ah, I have given to you  
at such a young age sincere love  
can you not accept it?

Nuna you are so beautiful  
Looking at you I go crazy  
But now I am tired  
replay, replay, replay  
Memories swipe at my heart  
It hurts, when will my feelings be fixed  
The ever drawing day of good bye  
replay, replay, replay

nuna you are so beautiful  
Looking at you I go crazy  
Uh, Our love  
Crazy,  
But now I am tired  
Uh I just go crazy cuz  
Replay, replay, replay

Memories swipe at my heart  
Hurts so much my heart
