English Rap) Well it's the dope like mess go against
grave with a mess
In my eyes to see death be the psychotic narcotic rebel
Now letting all you mother f*ckers call me mac man
wanna see green god smile Everyday's just another
days my time sounds
Get buckwild bustin' these rhymes
No assassin copyin my style it be crime
In my darkness let my soul shine

Ee jae shi gahn ee waht ddah
Oo ri neun hyun shil ae mohm eul duhn jjuh boo di chil
kkuh shi dah
Ee jaen gyun dil soo up ddah
Duh nah eun mi rae gah nahl gi dah ril kkuh shi dah
Ee jaen boo di chuh bohn dah
Duh ee sang pi hah goh mahn ee sseul soo neun up
ddah
All you homies in the biz
Watch your back
Protect your neck
Cause you bout to get smacked!
