[commercial break]

{\*belch\*} Oh shit, I gotta run to the liquor sto'

See what they got in this motherfucker, get me a drink

What they got in this fuckin freezer here man

[Ice Cube] Drop a old school beat!

[high pitched voice]

Man, fuck St. Ide's and Olde English god damnit

You ain't got nothin different in this motherfucker?

[J-Zone]

Here's a toast to a new drink, a new thing

A new brew just for you to put yo' dick in a sling

Boss Hog Malt Liquor, whether chillin the park

Or on the creep with a bitch you'd only fuck in the dark

100%, real man in a glass jug

Take a sip it feels better than a fast nut

Motherfuck a Michelob, tell that hoe to strip her clothes

Or dick'll be on swoll, buy the 40 or the sixty-fo'

[Celph Titled]

Yo, here we go you wanna search for a buzz

We got the type of beer make a bitch thirst for the suds

And birds chirpin it up, they wanna lick on the log

We guarantee no hangovers if you stick with the Hog

Yeah Nelly got Pimp Juice, Lil Jon got Crunk Juice

Lil' sip of this'll let the motherfuckin funk loose

Serve it out the bottle, only need one glass

For a room of stupid hoes so you can get dumb ass

[singing]

Motherfuck a Mich-elob!

Stack yo' chips, hit the sto'!

Take a sip, and hit your hoe

Boss Hog Malt Liquor

[advertiser voice]
