I've got a cupboard with cans of food, filtered water  
And pictures of you and I'm not coming out  
Until this is all over

And I'm looking through the glass  
Where the light bends at the cracks  
And I'm screaming at the top of my lungs pretending  
The echoes belong to someone, someone I used to  
know

And we become silhouettes when our bodies finally go  
Ba ba ba

I wanted to walk through the empty streets  
And feel something constant under my feet  
But all the news reports recommended that  
I stay indoors

Because the air outside will make our cells  
Divide at an alarming rate until our shells  
Simply cannot hold all our insides in  
And that's when we'll explode  
(And it won't be a pretty sight)

And we'll become silhouettes when our bodies finally  
go  
Ba ba ba  
And we'll become silhouettes when our bodies finally  
go  
Ba ba ba

And we'll become silhouettes when our bodies finally  
go  
Ba ba ba  
And we'll become silhouettes when our bodies finally  
go  
Ba ba ba

And we'll become  
And we'll become
