Moving On,
Moving On
My heart is setting on,
Cause I am moving on.

I always see you walk
Down the street
And your with your
new boyfriend
Who is 5 foot 3"
You always
Act like you don't
Know me,

Well i'm Moving on,
Moving On
My heart is setting on,
Cause I am Moving On.

Am I in a twilight zone?
I try to call
You but your not home,
But I see from my back door,
That you are there
But I don't care,

Cause I'm Moving on
Moving on,
My heart is setting on,
Cause I am moving on.

Boys can be boys
And girls can be girls
And we all live in
A messed up world
People can't you see
What your doing to me
this world is so unfair
the children are for you to scare
Life doesn't last forever
enjoy joy what you get

and be happy, move on
it aint over yet
But no-one can ever be
The person that they see

We should all Move On,
Move On
Just live our lives and
Move On

I'm just living and
I'm Moving on
Moving on,
My heart is setting on,
Cause I am moving on.
