Oah oah oah

This is my dream, my dream came true
Same old story, nothing new
This is my dream, my dream came true
Same old story, nothing new

Play on, play on
Play on the music of my life
Play on, play on
'Cause our hearts won't stop beating tonight
Play on, play on
Play on the music of my life
Play on, play on
'Cause our hearts won't stop
BEATING!

Across the ocean, and thousand seas
These sails are broken, I'm begging you please

Play on, play on
Play on the music of my life
Play on, play on
'Cause our hearts won't stop beating tonight
Play on, play on
Play on the music of my life
Play on, play on
'Cause our hearts won't stop
Beating!

Welcome to my world
Darling please don't let go
Of the time shared
The time we spent
(The time we spent)
The time we spent

Play on, play on
Play on the music of my life
Play on, play on
'Cause our hearts won't stop beating tonight

Play on, play on
Play on the music of my life
Play on, play on
Our hearts will stop
BEATING!
