[C-Note]

I'ma come through, with the grill and bang
Nigga I'ma wreck the scene, with fifty rocks in my ring
Nigga I'ma spend my cash, in million dollar bills
And nigga, I'ma act a ass with this billion dollar deal

[Will-Lean]

Nigga I'ma kick this shit off, for Texas hoe
Nigga I'ma slam my fo', on my Lexus do's
Nigga I'ma let the screens fall, and play Tekken 4
Nigga I'ma let the boppers bop, and then wreck them
hoes

[AP]

Nigga I'ma show my skills, when I'm in the Deville
I'ma pop the trunk, working wood sturning wheel
I'ma sip Cristal, while Jack be on his hill
I'ma conversate, and do my best to knock down Jill

[Lil' Flip]

I'ma put diamonds in your face, when I open my mouth
I'ma count a lot of money, when I open my vault
I'ma show my tattoos, and my shiny teeth
I'ma roll in my coupe, and hold my shiny piece

[Yung Redd]

I'ma shoe my bezeltine, holding a Rolex
I'ma run through red lights, when I'm drunk off the
Moet
I'm a 20/20 seer, when I earn a new penny
I'ma let my girls go, if I got too many

[D-Red]

I'ma make sho' Big Shot, make us some mills
I see a hundred out the gate, I bet that get us a deal
I'ma shine at the Grammys, when we get that award
I'ma fall to my knees, and give thanks to the Lord

[Hook]

[C-Note]

Nigga I done did thangs, that spark this rap game
Nigga I done switched the lane, grip grain and ran trains

[Will-Lean]

Nigga I done showed up, for this 2 triple O
Nigga I done took plenty lives, with my pistol hoe
Nigga I done shot my shit straight, like a missile hoe
Nigga I done let you know, bullets don't tickle hoe

[AP]

Nigga I done bought Rolexes, without looking at the price
I done knocked off jewelry, that show nothing else but ice

Everytime you see us, we be pulling off the lot

[Yung Redd]

Now I done bought the showroom, Redd's a black Bentley stretcher
I dont jumped fly, in all black Fendi sweaters

I done got woozy, and overdosed on a cup of bar

[D-Red]
