I don't get you
I can't forget what
You've forgotten, all along
I've never been so alone

Don't cry out
Cease fire

I was pretending
Your secret kiss of confidence
Was my escape
The perfect game to play

Don't cry out
Cease fire

Ten, nine, eight and I'm breaking away
I'm all dressed up and I'm ready to play
Seven, six, five, four and I'm all over you
Counting three, two, one and I'm having fun

Your fascination
With naked walls of silk and skin
With no conditions
I needed you to notice that's all I wanted

Don't cry out
Cease fire

Ten, nine, eight and I'm breaking away
I'm all dressed up and I'm ready to play
Seven, six, five, four and I'm all over you
Counting three, two, one and I'm having fun

Ten, nine, eight and I'm breaking away
I'm all dressed up and I'm ready to play
Seven, six, five, four and I'm all over you
Counting three, two, one and I'm having fun

Don't cry out
Cease fire

Ten, nine, eight and I'm breaking away
(Don't cry out)
I'm all dressed up and I'm ready to play
Seven, six, five, four and I'm all over you
(Cease fire)
Counting three, two, one and I'm having fun

Ten, nine, eight and I'm breaking away
(Don't cry out)
I'm all dressed up and I'm ready to play
Seven, six, five, four and I'm all over you
(Cease fire)
Counting three, two, one and I'm having fun
