Now follow these lines
'cause soon you'll be steering through the dreams,
When everything falls apart.
Beneath the street, you barely go.

So, today, your neon cold
It's starting out to be something.
Stay like the neon cold,
You're always gonna be something,
Even in your shoes.

Telephone lines are streaming silence from your
machine,
Still looking for a broken leak of history.
You're letting go, oh, so,

Wherever you go, wherever you go
I want to go wherever you go.

Today, your neon cold
It's starting out to be something.
Stay like the neon cold,
You're always gonna be something,
Even in your shoes,
Even in your shoes.

Wherever you go, I want to go
Wherever you go.
Wherever you go,
Wherever you go,
Wherever you go,
I want to go,
Wherever you go,
Wherever you go,
Wherever you go,
I want to go.
