I can't sleep  
I've lost the urge to sing  
No one's left a friend  
The cost of ill pretend  
Where'd you go? I need you now  
I said ooh, ooh

Ten thousand miles apart  
A frozen ocean joins our hearts  
I can't wait to meet you when  
The frozen waves meet ocean floors  
You'll be standing on the shore  
I can't wait to meet you then

I still dream  
But what should I believe?  
Frozen shapes to bend  
Impossible sets in  
Lost again, still alone  
I said ooh, ooh

Ten thousand miles apart  
A frozen ocean joins our hearts  
I can't wait to meet you when  
The frozen waves meet ocean floors  
You'll be standing on the shore  
I can't wait to meet you then

I can't wait  
I can't wait  
I can't wait  
I can't wait  
I can't wait  
I can't wait  
I can't wait

The frozen waves meet ocean floors  
You'll be standing on the shore  
I can't wait to meet you then  
Ten thousand miles apart  
A frozen ocean joins our hearts  
I can't wait to meet you when
