Oh oh oh oh oh (x4)

Everyone living in ghost town
Everyone buried in waste land
We don't want to
We don't have to be like that
Living in ghost town
All the boys shout it out loud now
All the girls scream it out louder
We don't want to
We don't have to live like that
Ooooooh oooooohhhhhhhh

Hold me back you know were never gonna back down
Hold me back you know were never gonna back down
Were dead in this ghost town
You better let go so let go of me
Were dead in this ghost town
You better let go so let go let go of me
Oh oh oh oh oh
Oh oh oh oh oh, let go let go of me
Oh oh oh oh oh
Oh oh oh oh oh, let go let go of me

Everyone living in ghost town
Everyone buried in waste land
We don't want to
We don't have to be like that
Living in ghost town
All the boys shout it out loud now
All the girls scream it out louder
We don't want to
We don't have to live like that
Ooooooh

Hold me back you know were never gonna back down
Hold me back you know were never gonna back down
Were dead in this ghost town
You better let go so let go of me
Were dead in this ghost town
You better let go so let go let go of me
Oh oh oh oh oh

Oh oh oh oh oh, let go let go of me
Oh oh oh oh oh
Oh oh oh oh oh, let go let go of me

It's getting colder, the last train is here
And it's leaving those behind here
These are the bad lands
The worst place to fear
Making place for the ones we left here
Their calling calling
To say goodbye

Were dead in this ghost town
You better let go so let go of me
Were dead in this ghost town
You better let go so let go let go of me

Were dead in this ghost town
You better let go so let go of me
Were dead in this ghost town
You better let go so let go let go of me
Oh oh oh oh oh
Oh oh oh oh oh, let go let go of me
Oh oh oh oh oh
Oh oh oh oh oh, let go let go of me
