Tonight I gave the greatest performance of my life  
I never lost control, I played the part so well  
That not a single soul could tell that I was lying  
And so

Though it was hard to face our  
Friends I gave a party  
I know  
I meant to show them all I've gotten over you  
And though  
I saw the unbelieving looks on all their faces  
I had to try to make them think that it was true  
So I  
Who hardly dance, dance through the  
Night, just like a gypsy  
And I  
Who seldom drink, drank like a fish till I was high  
And I

Who hadn't laughed since God knows  
When, outlaughed Pagliacci  
Till they  
Believed it more than even I  
Tonight I gave the greatest performance of my life  
I never lost control, I played the part so well  
That not a single soul could tell that I was lying

But love

If you had been behind the curtain when it fell  
When all the lights were out and I was all alone  
You would have seen

This actress crying  
Yes, tonight I gave the greatest  
Performance of my life  
I never lost control, I played the part so well  
That not a single soul could tell that I was lying

But love

If you had been behind the curtain when it fell  
When all the lights were out and I was all alone  
You would have seen

This actress crying
