Standing there alone the ship is waiting.  
All systems are go. are you sure?  
Control is not convinced  
But the computer has the evidence  
No need to abort.  
The countdown starts

Watching in a trance the crew is certain.  
Nothing left to chance all is working.  
Trying to relax up in the capsule  
"Send me up a drink." jokes Major Tom.  
The count goes on

4 3 2 1  
Earth below us  
Drifting falling floating weightless  
Calling calling home

Second stage is cut.  
We're now in orbit  
Stabilizers up running perfect.  
Starting to collect requested data.  
"What will it affect when all is done?"  
Thinks Major Tom

Back at ground control  
There is a problem.  
"Go to rockets full"  
Not responding.  
"Hello Major To. are you receiving?"  
Turn the thrusters on.  
We're standing by."  
There's no reply.

4 3 2 1  
Earth below us  
Drifting falling floating weightless  
Calling calling home

Across the stratosphere a final message  
"Give my wife my love."  
Then nothing more

Far beneath the ship the world is mourning.  
They don't realize he's alive.  
No one understands but Major Tom sees.  
Now the light commands  
This is my home I'm coming home."

Earth below us  
Drifting falling.  
Floating weightless  
Calling home  
[Repeat]  
Home...
