Oooooohhhhhh, uhhhhhh, ohhhhhhhh.  
Something in the way he moves  
Attracts me like no other lover  
Something in the way he woos me.  
I don't want to leave him now  
You know I believe him how.  
Somewhere in his smile he knows  
That I don't need no other lover  
Something in his style that shows me.  
I don't want to leave him now  
You know I believe him how.  
You're asking me will my love grow.  
I don't know, I don't know.  
You stick around now it may show.  
I don't know, I don't know.  
Something in the way he knows  
And all I have to do is think of him  
Something in the things he shows me.  
Don't want to leave him now  
You know I believe him how.  
You're asking me will my love grow.  
I don't know, I don't know.  
You stick around now it may show.  
I don't know, I don't know.  
Something in the way he moves.  
Something in the way he knows.  
Something in the way he smiles.  
Something.
