I'm free to kiss the sky with my lips
My thunder's going boom boom, just shaking from my
hips
Oh! the dirty minds, dirty tricks
My body's going boom boom, but I will not submit

I fly where lost boys dream (ichi!)
I am the lost boy queen (ni!)
The rising sun (san!) on my horizon (shi!)
I will arrive on a dragon.

Go!
Now I'm speaking Japanese
And you won't understand me
I'll do exactly what I please
And you won't ever catch me, catch me

No one stands against my battleship
My weapon's going boom boom, just shaking from my
hips
Oh! press, touch the blade to my skin
My body's going boom boom but I will not submit

Oh!
I fly where lost boys dream (ichi!)
I am the lost boy queen (ni!)
The rising sun (san!) on my horizon (shi!)
I will arrive on a dragon.

Go!
Now I'm speaking Japanese
And you won't understand me
I'll do exactly what I please
And you won't ever catch me, catch me

I fly where lost boys dream (ichi!)
Supernatural, international (ni!)
I am the lost boy queen (san!)
Rule like a shogun; I am the dragon

Now I'm speaking Japanese
And you won't understand me

I'll do exactly what I please
And you won't ever catch me, catch me

Now I'm speaking Japanese
And you won't understand me
I'll do exactly what I please
And you won't ever catch me, catch me
