Lord Give Us A Song

Lord give us a song, so we can honor You and worship
You.

Lord give us a song that will make the nations praise
Your name.

A song that will change the world and draw Your people
closer to You.

Something that will make You smile, and let You know
how much we love Your name.

Know how much we love Your name.

Lord give us a song that's full of words that heal and
souls that fill.

Lord give us a song that reminds us just how wonderful
you are.

A song that will stop the tears and make the darkness
go away.

One that will make You smile, and let You know how
much we love Your name.

Know how much we love Your name.

Lord give us a song, so we can honor You and worship
You.

Lord give us a song that will make the nations praise
Your name.

A song that will change the world and draw Your people
closer to You.

One that will make You smile, and let You know how
much we love Your name.

Know how much we love Your name.

We're waiting for You , work a melody upon our hearts.
We're desperate for You , (And for what You do and for
who You are)

We're waiting for You , work a melody upon our hearts.
We're desperate for You , (And for what You do and for
who You are)

We're waiting for You , work a melody upon our hearts.
We're desperate for You , (And for what You do and for
who You are)

We're waiting for You
We're waiting for You
We're waiting for You
We're waiting for You

A song that will make You smile and let You know how
much we love Your name,
Know how much we love Your name.
