Look, more flow than a little bit

I've been in and out of state
niggas eating round here you aint even got a plate,
Get a spoon or something..
if life is a bitch i need a room or something..
'cause I'm fucking that quick only difference is I ain't
even ducking that bitch
you can't fuck with me, Inglewood nigga you know
what's up with me
a bitch couldnt' even get a buck from me
and these hoes know that i dont fuck for free
so pimp pimp hooray..I'm trying to figure how to hit a
lick today..
like real shi i needa lick the day
with a bar of stiff or a brick of yay
still talking this trap shit,
niggas just talking that rap shit
well my black clips, sweet brother malcom that black
shit

Chris cross in that clip dog

ah, on my one two, think of all the hoes that I run
through
R_E_A_L deserve to see heaven 'cause I've been
through hell,
like man what the hell? at least I deserve a CL
talking five hundred, your pussy ain't good till the five

And im toasting glasses with 3 hoes..

TO
lifestyles of the almost famous,
so close I can damn near taste it,
and revenge is sweet all my clothes expensive your talk

I need a pause on the beat, listeners all appalled like
sheesh..
I go raw on the beat then scratch it to death put paws
on the beat..
like an animal what an antidote
CP3 with the handle bro, I did one for the three 2 three
And its SOx nigga we too deep, he's no me nigga,
nigga he's too sweet
MC nigga Me I'm G, we just act nigga we no speak
unless you talk money nigga me no speak, like silent

I goes up, leave it all on the base little dog back back
