Chaos Inception - Black Blood Vortex

The blood on my skin is blackest in moonlight
The blood in my veins is blackest at night
Black shape, Takes wing, Under, Dark sky
Craving, Blood, Harvest
Life force of traitors
Others, Innocents, Insects
Exsanguinate, Blood, Vortex, Black
Hallucination!!!
Solo (Black Vortex Spinning in Reverse)
Spiral, Of, Madness, Descent
Contemplating, moment of death
At draining of blood
Final, Breath, Soul, Escaping?
Blood, Vortex, Black
Hallucination
Vertiginous Delirium
Voiding conscience
Becoming blackness
Pupil-less eyes
Exanimate sense
Black Blood Vortex
I hear a voice, Calling for killing
The "I" is the voice of madness, The "I" is obedience,
Solo (Black Shape Takes Wing - Solitude of Starless
Sky - Blood Lust Beckons Return)
Vertiginous Delirium
Voiding conscience
Becoming blackness
Pupil-less eyes
Exanimate sense
Black Blood Vortex
