Chaos Inception - The Exterminate

For centuries they have waited
Planting the seeds, perfecting their tactics
The Harvest is nigh
Foretold events have
transpired
No addiction, nor vision, nor assassination
Rather, annihilation
Telepathic guides to your demise
Behold! Exterminati!
Obelisk rises toward the clouds
Monolith, exaltation enshroud
Negrite images engraven
Emblazon pandemon aeturnum
Reptile scribes the riddle writ for
Overlords of existence
Semiotician - evil genius
Holocaustic obsolescence
Only the secret knowledge of Archon
Triumphs over oblivion
Gathering of Void-worshippers
Six score, thirteen their number
Heptagram their seal - codes -
The subliminal revealed
Unholy rite the cipher
Sage with day lit lantern
Bringing shadow into presence
Unleash the savagery of Fenris
Illumination gods concealed
In the bloodlines of lords - and Master
Illuminate gods now revealed
Mythic sons of Satan
Extermination gods unveiled
Bringing global Annihilation!
Exterminate gods - Fantasy
Of a psychotic's dream
Solo (Initiation into the Mysteries of The Progenitors)
The Faceless Omniscient
Augury of symbols, prescient
The Omnipotent spares the adept

The Mystic guards their secret
The end is your enslavement
Mass extermination
Genocide - terminal solution
Final act of the illusion
Illumination gods concealed
In the bloodlines of lords - and Master
Illuminate gods now revealed
Mythic sons of Satan
Extermination gods unveiled
Bringing global Annihilation!
Exterminate gods - Fantasy
Of a psychotic's dream
