He's home again from another day  
She smiles at him as he walks through the door  
She wonders if it will be Okay  
It's hard for her when he doesn't respond  
He says babe you look a mess  
You look dowdy in that dress  
It's just not like it used to be  
Then she says:

"I may not be a lady  
But I'm All Woman  
From Monday to Sunday I work harder than you know  
I'm no classy lady  
But I'm All Woman  
And this woman needs a little love to make her strong  
You're not the only one"

She stands there and lets the tears flow  
The tears that she's been holding back so long  
She wonders where did all the loving go  
The love they used to share when they were strong

She says:  
"Yes I look a mess  
But I don't love you any less  
I thought you always thought enough of me

I may not be a lady  
But I'm All Woman  
From Monday to Sunday I work my fingers to the bone  
I'm no classy lady  
But I'm All Woman  
And this woman needs a little love to make her strong  
You're not the only one"

He holds her and hangs his head in shame  
He doesn't see her like he used to do  
He's too wrapped up in working for his pay  
He hasn't seen the pain he's put her through

Attention that he paid  
Just vanished in the haze

He remembers how it used to be  
When he used to say:

"You'll always be a lady  
'Cause You're All Woman  
From Monday to Sunday I love you much more than you  
know  
You're a classy lady  
'Cause You're All Woman  
This woman needs a loving man to keep her warm"

You're not the only one  
You're not the only one
