Once in your life you'll find him  
Someone who turns your heart around  
And next thing you know you're closing down the town  
Wake up and he's still with you  
Even though you left him away cross town  
You're wondering to yourself, "hey what have I found"  
When you get caught between the moon and New York  
city  
I know it's crazy  
But it's true  
If you get caught between the moon and New York city  
The best that you can do  
The best that you can do is fall in love

Arthur he does, what he pleases  
Followed his life, his masters toys  
And deep in his heart, he's just, he's just a boy  
Living his life one day at a time  
He's showing himself a real good time  
He's laughing about the way they wanting to be

When you get caught between the moon and New York  
city  
I know it's crazy  
But it's true  
If you get caught between the moon and New York city  
The best that you can do  
The best that you can do is fall in love

When you get caught between the moon and New York  
city  
I know it's crazy  
But it's true  
If you get caught between the moon and New York city  
The Best that you can do  
The Best that you can do

When you get caught between the moon and New York  
city  
I know it's crazy  
But it's true

If you get caught between the moon and New York city  
The best that you can do  
The best that you can do  
The best that you can do is fall in love

Fall in love  
Fall in love  
(transcribed by Roman )
