Thinkin' back in time  
When love was only in the mind  
I realize  
Ain't no second chance  
You got to hold on to romance  
Don't let it slide

There's a special kind of magic in the air  
When you find another heart that needs to share

Baby, come to me  
Let me put my arms around you  
This was meant to be  
And I'm oh so glad I found you  
Need you everyday  
Got to have your love around me  
Baby always stay  
'Cause I can't go back to living without you

Spendin' every dime  
To keep you talkin' on the line  
That's how it was

And all those walk together  
Out in any kind of weather  
Just because

There's a brand new way of looking at your life  
When you know that love is standing by your side

Baby, come to me  
Let me put my arms around you  
This was meant to be  
And I'm oh so glad I found you  
Need you everyday  
Got to have your love around me  
Baby always stay  
'Cause I can't go back to living without you

The night can be cold  
There's a chill to every evening when you're all alone  
Don't talk anymore

'Cause you know that I'll be here to keep you warm

Baby, come to me  
Let me put my arms around you  
This was meant to be  
And I'm oh so glad I found you  
Need you everyday  
Got to have your love around me  
Baby always stay

Come to me  
This was meant to be  
Need you everyday  
Baby always stay  
I can't go back to living without you  
Without you  
Without you  
(transcribed by Roman )
