Remember
Why must I remember
Why can't I simply close my eyes, go to sleep
And make him disappear
Why must I always hear
Dio come ti-amò
Those were the words he said
Oh god how much I love you
It still runs through my head
The wind began to blow
And all the leaves were flying
He stood there in the night
And tried to keep from crying

What could I have told him
What could I say of you
When love has lost it's meaning
It's over, it's through
And so I hurried on
For someone new was waiting

To hold me in his arms
In endless celebrating
But that was long ago
And many loves have I
But only one was real
And that I let slip by

Dio come ti-amò
I still can hear him say
Oh god how much I love you
Yet I walked away
I know, it's much to late
But I go right on praying
To have you back again
So you can hear me saying

Dio come ti-amò
Oh god how much I love you
I love you
I love you

I love you
I love you
