He was beautiful
Beautiful to my eyes
From the moment I saw him
The sun filled the sky
He was so, so beautiful

Beautiful just to hold
In my dreams he was springtime
Winter was cold
How could I tell him

What I so clearly could see
Though I longed for him
Another ...
Trusted me completely, so I never could be free
It was beautiful

Knowing now that he cares
I will always remember moments we shared
Now it's all over

Still the feelings ling' on
For my dream keeps returning
Now that he's gone
For it was beautiful
Beautiful
Beautiful to be loved
