Hey Jude, don't make it bad  
Take a sad song and make it better  
Remember to let her into your heart  
Then you can start to make it better

Hey Jude, don't be afraid  
You were made to go out and get her  
Remember to let her under your skin  
Then you'll begin to make it better

And anytime you feel the pain, hey Jude, refrain  
Don't carry the world upon your shoulders  
Don't you know that it's a fool who plays it cool  
By making the world a little colder  
Na na na, na na, na na na na

Hey Jude, don't let me down  
You were made to go out and get her  
Remember to let her under your skin  
Then you'll start to make it better

So let it out and let it in, hey Jude, begin  
You're waiting for someone to perform with  
And don't you know that it's just you? Hey Jude, you'll  
do  
The movement you need is on your shoulder  
Na na na, na na, na na na na

Hey Jude, don't let me down  
You were made to go out and get her  
Remember to let her under your skin  
Then you'll begin to make it better, better, better,  
better

Na na na, na na na na  
Na na na na, hey Jude  
Na na na, na-na na na  
Na-na na na, hey Jude

Na na na, na na na na  
Na na na na, hey Jude  
Na na na, nana na na

Na na na na, all together now, hey Jude
