I gotta take a little time  
A little time to think things over  
I better read between the lines  
In case I need it when I'm older  
Now this Mountain I must climb  
Feels like a world upon my shoulders  
Through the clouds I see love shine  
It keeps me warm as life grows colder

In my life there's been heartache and pain  
I don't know if I can face it again  
Can't stop now, I'm traveled so far  
To change my lonely life

I wanna know what love is  
I want you to show me  
I wanna feel what love is  
I know you can show me

I'm gonna take a little time  
A little time to look around me  
I've got nowhere left to hide  
It looks like love has finally found me

In my life there's been heartache and pain  
I don't know if I can face it again  
Can't stop now, I've traveled so far  
To change my lonely life

I wanna know what love is  
I want you to show me  
I wanna feel what love is  
I know you can show me

I wanna know what love is  
I want you to show me  
I wanna feel what love is  
I know you can show me

I wanna know what love is  
I want you to show me  
I wanna feel what love is

I know you can show me

(Fading down)

I wanna know what love is

I want you to show me

I wanna feel what love is

I know you can show me

(transcribed by Roman )
