Why, why you look so sad?
The tears are in your eyes
Come on and come to me now
Don't, don't be ashamed to cry
Let me see you through
I've seen the dark side too
When the night falls on you
You don't know what to do
Nothing you confess
Could make me love you less
I'll stand by you
I'll stand by you
Won't let nobody hurt you
I'll stand by you
So, if you're mad get mad
Don't hold it all inside
Come on and talk to me now
Hey, what you got to hide?
I get angry too
But I'm alone like you
When you're standing at the crossroads
And don't know which path to choose
Let me come along
'Cause even if you're wrong
I'll stand by you
I'll stand by you
Won't let nobody hurt you
I'll stand by you
Even in your darkest hour
And I'll never desert you
I'll stand by you

And when, when the night falls on you baby
You're feeling all alone
You're wondering on your own
I'll stand by you
I'll stand by you
Won't let nobody hurt you
I'll stand by you
I'll stand by you
Won't let nobody hurt you
I'll stand by you
