It's impossible

Tell the sun to leave the sky

It's just impossible

It's impossible

Ask a baby not to cry

It's just impossible

Can I hold you

Closer to me

And not feel you

Going through me

Split the second

That I never think of you

Oh how impossible

Can the ocean

Keep from rushing to the shore

It's just impossible

If I hold you

Could I ever want for more

It's just impossible

And tomorrow

Should you ask me for the world

Somehow I'd get it

I would sell my very soul

And not regret it

For to live without your love

Is just impossible

Can the ocean

Keep from rushing to the shore

It's just impossible

If I hold you

Could I ever want for more
It's just impossible
And tomorrow

Should you ask me for the world
Somehow I'd get it
I would sell my very soul

And not regret it
For to live without your love

Is just impossible

It's impossible
It's impossible
It's impossible
