Jesse, come home  
There's a hole in the bed  
Where we slept  
And now it's growin' cold  
Hey Jesse, your face in the place  
Where we lay by the hearth  
All apart  
It hangs on my heart  
And I'm keeping the light on the stairs  
No I'm not scared  
I wait for you  
Hey Jesse, I'm lonely, come home  
Jesse, the floors and the boards  
Recalling your steps  
And I remember too  
All the pictures are fading  
And shaded in grey  
But I still set a place  
On the table at noon  
And I'm leaving the light on the stairs  
No I'm not scared  
I'll wait for you  
Hey Jesse, I'm lonely, come home  
Jesse, the spread on the bed  
Is like when you left  
I've kept it up for you  
All the blues and the greens  
Have been recently cleaned  
And it's seemingly new  
Hey Jess', me and you  
We'll swallow the light on the stair  
We'll do up my hair  
And sleep unaware  
Hey Jesse, I'm lonely, come home  
Hey Jesse, I'm lonely, come home...
