Lyrics with translation:

TratÃ© de recordar y quÃ© ironÃa
I tried to remember, and what an irony
las veces que te oÃ llamarme ÂamorÂ´.

The times I heard you say "my love"
Los dedos de una mano sobrarÃan

The fingers of one hand would be too many to count
them
y ves que junto a ti aÃn estoy.

And yet you see I'm still with you

TratÃ© de aceptar tus condiciones
I tried to accept your conditions
y escondo cada vez tanta emociÃn.

Hiding my emotions every time
Te amo locamente

I love you "madly"
y tÃº sinceramente

You love me "sincerely"
jamÃs supiste amar igual que yo.

You never knew how to love like I do

La pasiÃn que nos devora
The passion that consumes us
en la noche se ocultÃ,

Got hidden in the night
las miradas de fervor

The passionate looks
asÃ nadie las vio.

That no one ever saw

La pasiÃn que nos devora

The passion that consumes us
la pasi3n me adormeci3,

Clouded my thinking
esta suerte de dolor

This painful luck
as3 sigui3.

Went on and on

Y trato de pensar serenamente
And serenely I try to think
tristezas y rencor los dejo atr3is;

Leaving sadness and resentment behind
si cruzo esa puerta

If I walk out that door
con la esperanza abierta

With any hope at all
ya s3© que nunca mas me llamar3is.

I know it'll be the last time I'll hear from you

La pasi3n que nos devora
The passion that consumes us
en la noche se ocult3,

Got hidden in the night
las miradas de fervor

The passionate looks
as3 nadie las vio.

That no one ever saw

La pasi3n que nos devora
The passion that consumes us
la raz3n me adormeci3,

Clouded my thinking
esta suerte de dolor

This painful luck
as3 sigui3.

Went on and on
(transcribed by Oscar and Carlos , translated by Oscar)
