Moon River

Artist: Andy Williams

(# 11 Billboard hit for Jerry Butler in 1961)

Words by Johnny Mercer and Music by Henry Mancini  
from the movie "Breakfast At Tiffany's" starring  
Audrey Hepburn

Moon river, wider than a mile  
I'm crossing you in style some day  
Oh, dream maker, you heart breaker  
Wherever you're goin', I'm goin' your way

Two drifters, off to see the world  
There's such a lot of world to see  
We're after the same rainbow's end, waitin' 'round the  
bend  
My huckleberry friend, Moon River, and me

(Moon river, wider than a mile)  
(I'm crossin' you in style some day)  
Oh, dream maker, you heart breaker  
Wherever you're goin', I'm goin' your way

Two drifters, off to see the world  
There's such a lot of world to see  
We're after that same rainbow's end, waitin' 'round the  
bend  
My huckleberry friend, Moon River, and me

(Moon River, Moon River)
