Something in the way he moves
Attracts me like no other lover
Something in the way he moves me
I don't want to leave him now
You know I believe in how
Somewhere in his smile he knows
That I don't need no other lover
Something in his style that shows me
Don't want to leave him now
You know I believe in how

You're asking me will our love grow
I don't know, I don't know
You stick around now it may show
I don't know, I don't know

Something in the way he moves
And all I have to do is think of him

Something in the things he shows me
I don't want to leave him now
You know I believe in how

You're asking me will our love grow
I don't know, I don't know
You stick around now it may show
I don't know, I don't know

Something in the way he moves
Something in the way he knows
Something in the way he smiles
Something in the way he moves
Something in the way he smiles
Something
