Shirley Bassey:

Thought I'd ring you
And tell you I'm in town
Hope to see you

Yes, dinner would be fine
Do you remember

When you and I first met?
I know I do

Do You?

Alain Delon:

Oh non, je n'ai rien oubli  
Oh no, I haven't forgot
Rien oubli   de cette   trange fille

Anything of this strange life
Qui est venue traverser ma vie et ma ville

That came to cross my life and my town
Rien oubli   non plus de cette dr  le de nuit

Anything either of this odd night
Dans nous sommes sortis, je crois

After which we became, I think
Amis?

Friends?

Shirley Bassey:
Lost and confused
Whatever could I do
Nothing to lose

Oh, don't you see I trust in you?
Caught in the rain on such a sunny day
Caught in the rain on such a special day with you

Nice to see you
You've hardly changed, it's true

A little older
But time 's been kind to you
Do you remember a very special night
You know I do

Do you?

Alain Delon:
Oh oui, tu as bien fais d'appeler
Oh yes, you did right to call
Moi, moi je suis bouleversé

I, I am confused
Ça m'a complètement surpris, tu sais

It completely moved me, you know
De te voir à Paris, no je n'ai pas oublié encore

To see you in Paris, no I haven't forgot yet
Ni le bain de la fontaine, ni la robe collée sur ton
corps

Either the bath in the fountain, or the dress clinging on
your body
Ni les mots du poème, comment pourrai-je oublier?

Or the words of the poem, how could I forget?

Shirley Bassey:
Lost and confused
Whatever could I do
Nothing to lose

Oh, don't you see I trust in you?
Caught in the rain on such a sunny day
Caught in the rain on such a special day with you

Lost and confused
Whatever could I do
Nothing to lose

Oh, don't you see I trust in you?
Caught in the rain on such a sunny day
Caught in the rain on such a special day with you

Lyrics together with Al Corley (in English):

Shirley Bassey:
Thought I'd ring you
And tell you I'm in town
Hope to see you

Yes, dinner would be fine
Do you remember

When you and I first met?
I know I do

Do You?

Al Corley:
Hey baby
It's sure good to hear your voice again
Of course I haven't forgotten the day we first met
If you remember
We both had our eye on the same cab
And just as we got there

Mmhmm... it started to rain
I guess I'll never forget that look in your eye

Not that look
Shirley Bassey:
Lost and confused
Whatever could I do
Nothing to lose

Oh, don't you see I trust in you?
Caught in the rain on such a sunny day
Caught in the rain on such a special day with you

Nice to see you
You've hardly changed, it's true
A little older
But time 's been kind to you
Do you remember a very special night
You know I do

Do you?

Al Corley:
Do I?
Mmhmm, mmhmm
You know, that neither of us really cared where we
were headin'
Aahh, not that night
And that cabbie dropped us off at that little french
restaurant I knew
And what with the wine and the food

We just never noticed the time
I know I kept on wishing that night would never, ever
end

Shirley Bassey:
Lost and confused
Whatever could I do
Nothing to lose

Oh, don't you see I trust in you?
Caught in the rain on such a sunny day
Caught in the rain on such a special day with you

Lost and confused
Whatever could I do
Nothing to lose

Oh, don't you see I trust in you?
Caught in the rain on such a sunny day
Caught in the rain on such a special day with you
